Notes to and forming part of the Financial Statements

1. Corporate Information

The financial statements of the non-profit company, the MJD Foundation Limited (the company) for the year ended 30 June 2014 were authorised for issue in accordance with a resolution of the Directors on 15 November 2014.

2: Summary of Accounting Policies

(a) Basis of Preparation

These general purpose financial statements have been prepared in accordance with the requirements of the Corporations Act 2001, Australian Accounting Standards – Reduced disclosure requirements, Accounting interpretations and other authoritative pronouncements of the Australian Accounting Standards Board.

The directors have elected under Section 334(5) of the *Corporations Act 2001* to apply the following Accounting Standards in advance of their effective dates:

AASB 1053, Application of Tiers of Australian Accounting Standards; and
AASB 2010-2 Amendments to Australian Accounting Standards arising from reduced disclosure requirements
AASB 13 *Fair value measurement*.

AASB 1053 and AASB 2010-2

These Accounting Standards are not required to be applied until annual reporting periods beginning on or after 1 July 2013.

AASB 1053 establishes a differential financial reporting framework consisting of two tiers of reporting requirements for general purpose financial statements:

Tier 1 – Australian Accounting Standards

Tier 2 – Australian Accounting Standards – reduced disclosure requirements.

AASB 2010-2 makes amendments to each standard and interpretation, indicating the disclosures not required to be made by Tier 2 entities or inserting RDR paragraphs requiring simplified disclosures for Tier 2 entities.

The company complies with Australian Accounting Standards – reduced disclosure requirements as issued by the Australian Accounting Standards Board.

The adoption of these standards has resulted in significantly reduced disclosures throughout the notes to the financial statements. There was no impact on the reporting financial position and performance of the company.

AASB 13 *Fair value measurement*

The effective date of AASB 13 is annual reporting periods beginning on or after 1 January 2013. AASB 13 clarifies the definition of fair value and requires highest and best use to be used in determining the value of non-financial assets.

Additional disclosures have been included in the financial statements on the adoption of AASB 13.

The financial statements have been prepared on an accruals basis and based on historical costs and does not take into account changing money values or, except where specifically stated.

The financial statements are presented in Australian dollars.

(b) Significant Accounting Judgements, Estimates and Assumptions

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Significant Accounting Judgements

Property, Plant and Equipment (PPE)

The Company expenses assets upon acquisition when assets are gifted to individuals with MJD or to organisations assisting individuals with MJD.

Significant Accounting Estimates and Assumptions

The key estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of certain assets and liabilities within the next annual reporting period are:

Provisions for employee benefits

Provisions for employee benefits payable after 12 months from the reporting date are based on current wage and salary levels. The amount of these provisions would change should these factors change.

(c) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

All revenue is stated net of the amount of goods and services tax (GST).

Grants received

Grant income is recognised when the company obtains control over the funds, which is generally at the time of receipt.

Donations received

Donation income is recognised when the company obtains control over the funds, and the donation can be measured reliably.

Bequests received

Bequests are recognised when the company obtains control over the funds, which is generally at the time of receipt.

Investment income

Investment income comprises interest and dividends. Interest income is recognised as it accrues, using the effective interest method. Dividend income is recognised when the right to receive a dividend has been established.

In-kind donations

No amounts are included in the financial statements for in-kind services donated by sponsors or volunteers.

(d) Expenditure

All expenditure is accounted for on an accruals basis and has been listed as per the detailed accounts in the company's accounting system.

(e) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(f) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the company commencing from the time the asset is held ready for use.

(g) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(h) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(i) Employee Benefits

Employee benefits "Holiday Pay Liability" comprise wages and salaries for annual and long service leave accrued by employees.

(j) Taxation**Income Tax**

The company is a charitable institution for the purposes of Australian taxation legislation and is therefore exempt from income tax. This exemption has been confirmed by the Australian Taxation Office. The company holds deductible gift recipient status.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST except where the amount of GST incurred is not recoverable from the Australian Taxation Office, in which case it is recognised as part of the cost of acquisition of an asset or as part of an item of expense.

The net amount of GST recoverable from or payable to the Australian Taxation Office is included as part of receivables or payables

3: Cash and Other Equivalents

Cash at bank earns interest at floating rates based on daily bank deposit rates of the Traditional Credit Union. Short term deposits are made for varying periods of between one and three months, depending on the company's cash requirements. These deposits are held with the National Australia Bank.

4. Investments

The Company's investment advisor is the Myer Family Company (MFCo).

(a) In 2010, the Company received a \$6 million grant from the Aboriginals Benefit Account (ABA) which cannot be expended, but instead it is invested, and only the earnings (interest, dividends etc) can be used for operational costs.

5. Financial Risk Management

The company's financial instruments comprise cash, cash equivalents, term deposits, fixed interest, property funds, domestic equities and international equities. The company's investments are rated as a 'low risk profile'. The main risks arising from the company's financial instruments are liquidity risk, credit risk, market price risk, interest rate risk, and equity price risk.

The Directors have overall responsibility for risk management, including risks associated with financial instruments. The Board of Directors has appointed a Finance Sub-Committee comprising the Board Treasurer (a Director), the Executive Officer and two independent finance specialists. The role of the Finance Sub-committee is to develop an Investment Policy Statement (IPS) and to make investment decisions within the guidelines of the IPS. Risk management policies are established as part of the IPS to identify and analyse the risks associated with the company's financial instruments, to set appropriate risk limits and controls and to monitor the risks and adherence to limits. The portfolio is deliberately positioned at the low end of its long term risk profile. This note presents information about the company's exposure to liquidity, interest rate, foreign exchange and market price risk.

Liquidity risk

Liquidity risk is the risk that the company will not be able to fund its obligations as they fall due.

The company manages liquidity risk by monitoring forecast cash flows and ensuring that adequate liquid funds are available to meet normal operating expenses for 120 days.

Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The company is exposed to two sources of credit risk – amounts receivable in respect of annual funding from GEBIE until 2018 and counterparty risk in respect of funds deposited with banks and other financial institutions.

The Directors consider the risk of GEBIE being unable to fulfil obligations as low.

Funds are deposited only with those banks and financial institutions approved by the Finance Subcommittee. Such approval is only given in respect of banks that hold 'AA' ratings from Standard & Poor's or an equivalent rating from another reputable ratings agency. At the reporting date, the company did not have any material credit risk exposures to any single receivable or group of receivables or any bank or financial institution

Market price risk

Market price risk is the risk that changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the company's income or the value of its holdings of financial instruments. The company is exposed to two sources of market price risk – fluctuations in interest rates and fluctuations in the value of its available-for-sale investments.

Interest rate risk

Interest rate risk refers to the risk that the value of financial instruments or cash flow associated with the instrument will fluctuate due to changes in market interest rates

The company is exposed to interest rate fluctuations on its cash at bank and cash on deposit. The company actively monitors interest rates for cash at bank and on deposit to maximise interest income

Equity price risk

Equity price risk arises from fluctuations in the market values of available-for-sale securities.

The company has engaged The Myer Family Company Ltd to advise on the management of its investment portfolio. The Finance Sub-committee has approved risk and return parameters for investment in available-for-

sale investments and receives reports from The Myer Family Company Ltd on a quarterly basis regarding the performance of the investment portfolio. Buy, sell and portfolio re-balancing decisions are based on recommendations from The Myer Family Company Ltd and approved by the Finance Sub-committee.

6. Commitment and Contingencies

Finance Leases

The Company holds no finance leases.

Operating Leases

The Company holds no operating leases.

Capital expenditure commitments

The Company holds no capital expenditure commitments.

7: Related parties and related parties transactions

(a) Directors' compensation

The Directors act in an honorary capacity and receive no compensation for their services. During the year travel expenses totalling \$19,157 were incurred by the Directors in fulfilling their role.

(b) Transactions with Director related entities

During the year, payments of \$2,210 were made to and \$330 was received from Carers NT. Jennifer Baird, a Director of the Company, is also President (and a Director) of Carers NT. This payment was made under normal commercial terms and conditions.

During the year, payments of \$329,000 were received from the Groote Eylandt and Bickerton Island Enterprise (GEBIE). Tony Wurramarrba, is a Director of the Company, is also was a Director of GEBIE until February 2014.

8: Notes relating to Cash Flow statement

(a) Reconciliation of cash

For the purposes of the statement of cash flows, cash includes cash on hand and in banks and investments in money market instruments, net of outstanding bank overdrafts. Any cash investments held under the "Available for Sale Investments" are NOT included as cash, as it is a condition of these monies that the \$6,000,000 grant principal cannot be expended.

Note also that the Cash at Bank amount below does not include an amount of (\$35,257) for electronic banking which is offset against the Cash at Bank figure on the balance sheet.

Cash at the end of the year as shown in the statement of cash flows is reconciled to the related items in the balance sheet as shown.

Independent Auditor's Report

Report on the Financial Report

We have audited the accompanying financial report of the MJD Foundation Limited, which comprises the Statement by Directors of the Board, Profit and Loss Statement, Balance Sheet, notes comprising a summary of significant accounting policies and other explanatory notes for the financial year ended 30 June 2014.

Directors' Responsibility for the Financial Report

The Directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Australian Charities and Not-for-Profits Commission Act 2012* (ACNC Act) and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material mismanagement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Opinion

In our opinion, the financial report of MJD Foundation Limited has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-Profits Commission Act 2012*, including:

- a) Giving a true and fair view of the MJD Foundation's financial position as at 30 June 2014 and its financial performance and cash flows for the year ended on that date; and
- b) Complying with Australian Accounting Standards and Division 60 of the *Australian Charities and Not-for-Profits Regulation 2013*.
